

Lindstrom asks District 205 to give thought to equalization

by Marge Ratcliffe

LOCKPORT — Harold Lindstrom asked the District 205 High School Board to give further thought to equalizing the pupil load in the district's three schools at their Thursday night meeting.

Lindstrom, former president of the District 96 school board, and one of the west side chairman for the committee to split the district, told the board the matter involved "simple arithmetic, too simple arithmetic."

"The building was constructed to house 1,000 students. This year, we have 2,300 students on double shifts . . . when you divide that number by two, there's just not that much room."

Lindstrom also pointed out that double shifts do not really save money and recommended the board go back on single shifts immediately. He also stated there would be empty rooms at Lockport Central when they go on double shifts.

"Ray Page is aware of this situation. (note: Page is the Illinois Superintendent of Public Instruction.) I ask you to consider moving the Crest Hill students over here (Central). You'll have to do it sooner or later, why not now?"

Board president William Brill told Lindstrom the board had decided on a housing plan for this year, and that next year, students from Crest Hill would have to be brought to Central. "This is a one-time shot," Brill said.

Lindstrom retorted, "On the west side, we've been shot more than once. Page should look into this, the board should look into it. It would equalize the load." He added that George Michas, east side split chairman, was in full agreement with his remarks.

In other business, board member Stanley Chapas reported on a recent special education board meeting. Chapas is the district's representative. He requested that the 205 board withhold payment of the

special education bills until the board can be reorganized and "irregularities" investigated.

Brill pointed out that the board had already approved the bills and payroll. "In view of this fact, you could ask that Boyd Bucher look into the alleged irregularities."

Chapas doubts the legality of a superintendent chairing the meeting; one-man committees; superintendents and assistant superintendents carrying motions and voting; and added, "There is no format, no ground rules, no set policy, and the bookkeeping is not co-ordinated as yet. I would like a legal ruling from the state superintendent's office."

The board also received a communication from Page's office, stating the school has full recognition for the 1970-71 school year. This is in no way connected with the North Central report, which placed the district on "accredited-warned" status.

Romeoville voters pass referendum

ROMEOVILLE — Voters in Valley View School District 98 approved a tax rate increase and a two-part building construction proposal Saturday.

A ten-cent tax increase was passed by a vote of 591 to 459, raising the educational tax rate.

By a vote of 638 to 408, voters okayed a \$1.7 million interest-free loan from the Illinois School Building Commission and also approved the sale of \$845,000 in bonds for school construction, 667-388.

The interest free loan will be repaid over a period of 17 years and will save the district approximately \$1.2 million in interest rates. The loan was contingent upon the passage of the sale of \$845,000 in bonds.

The district can now begin construction of a 30-room school in Indian Oaks and 15-room additions at Ridge View and Brook View Schools.

The successful referendum will provide air-conditioning for 24 classrooms in Park View School. It also allows the district to accept an offer to Hoffman-Rosner Construction Company to donate a \$120,000 site in Indian Oaks and donate \$200,000 for construction purposes.

Village, Mokena Police Assn., in court on property dispute

by Glen Logan

MOKENA — The Mokena Police Association, a group independent of the village government, is meeting tomorrow night to decide what is to be done with the money and property it has accumulated through the efforts of the members.

And at 10 a.m. Friday a decision may be made in magistrate court concerning the ownership of items claimed by the village board which the police group says was purchased with the group's funds and belongs to them.

The court hearing is the result of a writ of replevin obtained by the village last week against Wayne Ryder, former Mokena police chief. Ryder and four patrolmen, Dennis Ferovick, James Fetzner, Dale Reils and Gary Bednar all resigned the night of July 21. At the same time the three women who served as radio operators, also tendered resignations.

The resignations were never read to the village board at its meeting July 28 but the board members voted to accept them.

Ryder, hearing that the village had obtained a writ of replevin went to the sheriff's office, accompanied by Attorney Lawrence J. Stukel of the Joliet law firm of Robson, Masters, Ryan, Brumund and Belom. Attorney Tom C. Powers, Mokena, also retained by the association, was not present because he is on vacation. After accepting service Ryder posted a \$2,000 bond pending outcome of the hearing to determine ownership of the property involved.

Property listed in the writ consists of one walkie-talkie, two scanner radios, one device to measure skidmarks, one trunk, four flashlights, 10 car decals, four magnetic police signs, some shirt shoulder patches, one hand asperator, one tape recorder, a Polaroid camera and one ISPERN radio.

The ISPERN radio, which alone is valued at \$1,600, is the property of the state, Ryder said. It was issued to Ryder as

chief for installation in his own station wagon which he operated as an auxiliary police car. In assigning the radio the state recorded the make and model of the car, the engine number, the license number, as well as Ryder's name and address.

Ryder says he has written the state asking for instructions as to what to do with the ISPERN radio. It is not the property of Ryder, the village or the police association, but Ryder believes he is responsible for it until the state directs him what to do with it, he said.

"All items belonging to the village were returned when five officers and three radio operators resigned July 21," Ryder said. "All the badges, stars, radios, records, filing case, all the equipment purchased from village funds went back to the village."

"The only equipment I am holding now belongs to the Mokena Police Association, with the exception of the ISPERN radio. None of the association equipment was purchased with village funds, but with monies raised by members paying dues and other fund raising activities, all of which were done by the men on their own time.

"In a newspaper article last week it was said that I was not available for comment. The reason was that I was in Joliet making arrangements to protect the Mokena Police Association's properties. I posted bond rather than turn this equipment over to local politicians.

"A meeting of the Association has been called for tomorrow night to formalize the men's intentions relative to disposition of the association's assets. Thus far it has been the consensus of a majority of the members of the association that their share of the assets be converted to money and turned back to the community. Inasmuch as they were in the midst of planning a youth program prior to the time of their resignations they feel the youth of Mokena is a worthy cause.

"The men and myself are extremely grateful to the residents of Mokena for the

cooperation and support given us prior to the resignations and since we feel we can show our appreciation to the residents by returning to them, through the youth of the community, what they gave to us."

Ryder explained that the reason the ISPERN set issued to his personal car was that as chief of police he was on 24-hour call and there were many times when another car was required for police business. Between Jan. 1 and July 21, he said, he had logged 4,050 miles on his car on police business and the only compensation he received was gasoline, which he purchased from a station other than his own.

At the regular meeting of the village board last week the bill for installation of the ISPERN set in the chief's car was held up. It was \$35.

At Mokena village meeting

Board withholds plat okay

MOKENA — Public hearing on the pre-annexation agreement involving the planned unit development sought by the Owen Land Trust was not held at the last session of the Mokena village board.

Mayor Will Tuttle said he had received a request from a representative of the project for an extension of time as they were not completely prepared for the hearing. A motion was made by Trustee Haislet that James Clamage refile for a pre-annexation hearing. The motion was adopted.

A motion by Haislet that approval of the plat for Rainbow Valley as presented by Kaufman and Broad, the developers, be held until certain requirements he had outlined had been met. The tract is within a mile and a half of the village.

The requirements listed by Haislet:

"1. — No lot, tract or parcel of land within any such subdivision shall be offered for sale, nor shall any sale, contract for sale, or option be made or given until such subdivision has been formally approved by the village board. Kauman and Board Development Corporation has, in fact offered lots for sale in the subject subdivision prior to the plat being approved by this village board.

"2. — After approval of the preliminary plat by the plan commission, and the fulfillment of the requirements of the regulations of the subdivision ordinance, one tracing of the final plat of the subdivision, on tracing cloth not to exceed 36 by 48 inches in size, shall be submitted to

the plan commission for its recommendations of approval to the board of trustees. This was not done.

"3. — Exact locations, widths and names of all streets within and adjoining the plat, and the exact location and widths of all crosswalkways. Proposed street names shall be checked with the proper village officials. This was not done.

"4. — The proposed plat of subdivision submitted for approval of the village board was not in proper form with space for signatures.

"5. — Sewer connections and the subdivision's sewer system shall comply with the specifications of the village and the regulations of the state board of health and shall be constructed under the supervision of the village engineer and shall be approved by him. The village engineer has never been consulted regarding this subdivision.

"6. — The plat fails to show that adequate provisions have been made for the proper drainage of storm

water as provided by the village ordinance.

"7. — The \$175 filing fee as provided by the ordinance has not been paid. The following documents have not been submitted as required by ordinance.

a. — A detailed statement by the subdivider setting forth the nature, kind, character and extent of all the improvements that will be constructed in the subdivision as required by the ordinance, together with complete plans and specifications thereof approved by the board of trustees, and with an agreement to construct the same in accordance therewith, at the subdivider's own expense, within the time limit fixed by the board of trustees.

b. — A statement by a competent, Illinois registered, professional engineer giving an estimate of the total cost of the construction or installation of all such improvements including the cost of engineering and inspection. Such estimate shall be based on pre-

vailing construction costs and shall be subject to the approval of the board of trustees.

c. — A duly executed completion bond by the subdivider with corporate surety approved by the village board in an amount equal to the approved estimate of the cost of construction of all required improvements, certified by the village attorney as good, valid and enforceable by the village, securing the satisfactory completion of all said improvements in accordance with the approved plans and specifications within the time limit fixed by the board of trustees."

"Until these specific items, as well as all provisions of the Village of Mokena Subdivision Ordinance are compiled with the village cannot approve your plat of subdivision."

The board voted to send a letter to John Kliefoth, building inspector, thanking him for the preparation of plans for the remodeling of the village hall.

Mokena appropriation measure gets board OK

MOKENA — The Mokena village board has adopted its appropriation ordinance for the fiscal year ending June 30, 1971. The measure provides for expenditures totaling \$763,843, should funds be available.

Of this amount, \$131,173 is to be raised through real and personal property taxes and a levy ordinance probably will be adopted at the next meeting because the levy must be on file in the county clerk's office by Sept. 8.

Largest receipts and largest expenditures do not involve taxes. The sewer and water department pays its expenses out of the rates charged for water and sewer services.

According to the appropriation ordinance, sewer and water expenditures listed come to \$498,670.

The total appropriation under the general corporate fund is \$182,950, of which \$98,950 will come from taxes. Also to be collected from taxes will be \$15,523, representing principal and interest payments on general obligation sewer and water bonds; \$700 for civil defense; \$10,000 for public benefits; \$2,000 from the special tax that may be levied for auditing pur-

poses; \$3,000 from the police protection tax and \$1,200 from a special benefit tax to pay school crossing guards. All told these special taxes add up to \$32,223.

In the general corporate category the two largest items are: streets and alleys, \$48,600, and the police department, \$54,500. Largest item in the police budget is \$35,000 for salaries.

The village board decided not to have the appropriation ordinance published but will put it in pamphlet form, copies of which will be available to residents.

The appropriation also contains \$50,000 to cover motor fuel tax funds, a portion of which the village hopes to receive.

Relative to motor fuel tax funds, the council, on a motion by Trustee Kenneth Warning, head of streets and alleys, instructed Village Engineer George Barber to draw a resolution covering approximately \$9,000 of work on Mokena Street. The board will adopt the resolution, probably at its next meeting, and forward it to the department of highways.

Although MFT funds are paid to municipalities in cash now, the projects for which such money is to be used must get state approval.

Richton Park man held in police murder case

SOUTHWEST — John E. Baughman, 29, 4346 Arlington St., Richton Park, a former policeman at Homewood, has been charged with the murder of Sgt. Deane Pence, of the Flossmoor police department, whose body was found July 26 in woods off Sauk Trail near the Prestwick subdivision, east of Frankfort.

Baughman, who has been working for a firm dealing in combination electric clocks and thermometers used by banks and other business firms, was arrested in Cook County Aug. 13.

He was brought to the Will County jail at 5 a.m. last Friday and that afternoon was arraigned before Magistrate Charles Connors on an information charging murder. Assistant State's Attorney Perry Rudman prepared the complaint. There was no bail set and the defendant was returned to a jail cell. The hearing was continued to Aug. 24.

From available information an alleged domestic dispute led to the fatal shooting of Sgt. Pence. The latter was found in a ditch near his car. Three of the four car doors were locked. Pence had been shot four times. He was off duty and dressed in casual attire. The body was found by Leonard Tryner, 177th and Central, Tinley Park, who with his wife and children was taking a Sunday drive and decided to look at some of Prestwick building sites.

Some boot prints at the scene gave investigators a clue. Will County Sheriff Martin Jackson said last Friday that his men, with the assistance of Cook County and IBI officers have been checking Baughman for some time.

Among the arresting officers were Sgt. Larry Suljoy, Sgt. Ted Kelly and Deputy Peter Haas, of the Will County Sheriff's office, and David Hamm, of the Illinois "little FBI".

It is understood that Baughman made no comments when the interrogation was conducted but his wife, Trudy, is said to have answered questions. A tape was made of the interrogation and was scheduled to be delivered to Will County authorities.

Baughman and Pence are said to have been friends for some time. Both worked together on the Illinois Central Railroad and both were members of the Homewood police department. According to information investigators obtained from the Homewood police department Pence was one of Baughman's references when he joined the force. Pence left the department about two months after Baughman joined.

Baughman was on the Homewood department from March 1, 1968 to Dec. 16, of that year, when he resigned. Prior to that he had been relieved of duty by police administrators and subsequently prosecuted on a charge of stealing snow tires. On March 14, 1969 he was placed under court supervision for a year and on March 18, this year, the charges of theft and official misconduct were discharged by the court, according to Homewood police records.

Lemont board votes to keep dog catcher

LEMONT — The village board Aug. 10 decided to retain the dog catcher at \$150 per month after a report from Police Chief Frank Sowa.

"We just can't do without him," Sowa said. "We don't have any kennels or any place to put a dog. He's made every call the police department ever made to him and every call from a residence."

Sowa said the service was only paying about 30 per cent of its own way in stray dog fines. "There's an average of 15 calls a week. I can't say he gets them all. The calls are still coming in."

Sowa had been asked to report on the feasibility of turning dog responsibilities over to the police department after the dog catcher notified the board that effective July 31 his price would go up from \$104 to \$150 a month.

Complaints discussed at Lemont meeting

LEMONT — Complaints of several situations in Lemont dominated a short meeting of the village board Aug. 10. Answers were hard to come by, however, as discussions of tree cutting and blasting in the area ended as mere discussions.

"I'm fighting for myself on this," said Trustee Jack Weber on the problem of public utilities companies removing parts of trees to make room for electric wires.

"They don't care about a tree that's been there for 20 years. They just chop right through it. Even though the trees are on public property, they should do something."

Asked to explain what he had in mind, Weber replied, "I'm suggesting that they come up with a better idea. I don't know what it is."

"The answer is to put them all underground," said Trustee Barry Ladd. "That would be fine if the village had four or five million dollars."

Mayor John Kujawa suggested Weber

talk with Commonwealth Edison officials, but added "I don't know how they're going to solve it."

William Sniegowski, 814 McCarthy Road, was present with another complaining, "The blasting."

"I thought my house was haunted. I came home from work one day and found all the pictures on the floor and the pans moved around. Then Saturday the real earthquake hit, and I knew what had happened."

The blasting was being done by the Army Corps of Engineers to break up a portion of the canal wall that had fallen in, explained Kujawa.

"They denied it when I called them. They don't care anything about it."

In other business, Weber reported that he had contacted a man in Plainfield who had agreed to fix storm sewers flooding by the school.

Romeo parents question buses

by Louise Schaller

ROMEOVILLE — A group of parents from Bolingbrook attended the District 96 school board meeting on August 10. They questioned board members on bus cuts and voiced their concern for students using Briarcliff Road.

They were assured by board members and administrators that when construction of sidewalks takes place, children will be transported. A meeting was set for Monday August 17 at 7:30 p.m. in the Park View School library.

Parents said they have clocked the distance from their homes and they are over a mile from the school. Kenneth Hermansen, superintendent, explained with the influx of 900 kindergarten students a cut-back in bus service to older children was necessary.

Six judges for the bond referendum on August 15, were approved. They are Park View School, Patricia Prehn, Barbara Lindstrom, and Donna Peterson; North View School, Sally Reedy, Nora Wipfler, and Connie Duffield.

Welch Learning Systems will operate in the school district for one year, by a vote of four to one, with the no vote cast by John Strobbe. Two sets of tests would be given to district students.

Tutoring would not take place in the

schools but in a location provided by the tutoring service. For each 36 hours spent at the center, a year's development is guaranteed, according to Elton R. Lash, vice president of the company. Results of testing will not be released by the schools except with the permission of parents. Charges would be \$2 an hour for four hundred students and \$1.25 for groups of 700 students.

Eugene Korst, attorney, and Bruce Webster, board member will attend a county zoning hearing at Valley View School on August 24, at 7:30 p.m. Zoning for a trailer park will be heard.

Levitt Builders have agreed to deed twenty acres of land to District 96. About 1200 students will be added to the district from this housing development.

In other business the board:

- Set the date for the budget hearing meeting for Park View School library, on Monday September 14. The budget will be available from August 12, for viewing by the public.

- Authorized the West View Band to appear at the State Fair. Food will be furnished by the band parents, and the school will furnish four buses.

The next meeting is Monday August 24 at 7:30 p.m. in the library of Park View School.

Appointment falls through

LOCKPORT — Lockport High School district 205 is still without a superintendent, although they apparently intended to appoint one at their August 13 meeting.

Board president William Brill said the board had interviewed the candidate on two different occasions and planned to announce his appointment. However, board secretary Mrs. John Straka received a telegram from the appointee stating he had been forced, for personal reasons, to withdraw as a candidate for superintendent for the district. His name was not given.

The board set two administrative salaries for prior appointments. Eugene Higgins, recently named assistant superintendent and who is currently acting superintendent, was given a salary of \$19,500. Martin Hankin, new principal of Lockport East High School, was given an \$18,500 salary. Both are retroactive to July 1, 1970. At the time of their appointment, the board stated salary arrangements would be negotiated at a later date.

In other administrative matters, the board announced the abolishment of the post of Manager of Business Affairs, currently held by William Long. The board stated the post

was being discontinued as another economy move. Long was appointed assistant principal at Lockport West High School at a salary of \$16,000.

Raymond Gornik was appointed assistant principal at Lockport East High School at a salary of \$14,500. A new position, Supervisor of Records and Payroll was created, to help save costs. Mrs. Katherine Meador was appointed to fill this position at a salary of \$10,000. Board member Stanley Chapas, who announced the appointments in the absence of Steve Platko, chairman of the personnel-policy committee, said creation of the new post would save the district a lot of money.

The board also voted to give a 4½ percent salary increase to Willard Prynne, Lockport Central principal; John Gasper, assistant principal at Central; William Rutter, Lockport West principal; and Les Lindberg, assistant principal at Lockport West.

Non-certified district employees were also given a 4½ percent increase. Chapas said no advancement of step or lanes will be considered this year. All increases are retroactive July 1, 1970.

Mokena adopts new pay schedule for policemen

MOKENA — Mokena is to have two full time policemen and a new pay scale for the police department.

At the meeting of the village board last week it was decided to employ Leonard Robbins on a full time basis when he enters the police training school offered by the U of I, Sept. 28.

The second fulltime man will be a chief, yet to be selected.

Starting salary for a patrolman — in this case Robbins — will be \$7,200 a year, with automatic raises that would bring it up to \$9,000 at the end of three years. He would get a \$300 raise at the end of the first six months of service, and \$300 more at the end of the year. Then for the next two years he would get a \$600 a year.

The chief's salary is to begin at \$9,200 and in three years will reach \$11,000, the maximum.

Part-time officers will be paid \$2 an hour until they have completed their six-month probationary period, when the pay will become \$2.75 an hour. Standby time will be \$1 an hour. Court time has been set at \$3.75 an hour for parttime policemen and policewomen. Beginning Aug. 1 the parttime policemen and policewomen now employed are to get \$2.75 an hour.

The village is to provide parttime policemen a clothing allotment one cap, two shirts, one pair of trousers and one jacket per year.

Three policewomen were appointed. Two of them, Mrs. Beatrice Fitch and Mrs. Doris Hendricks are to be paid the same as part-time policemen on those occasions when their services are needed. Mrs. Evanis Dina

has also been appointed as a policewoman but because her husband, Anthony Dina, village trustee and police commissioner, is an elected official she cannot be paid from village funds.

"She has donated her services before and will again," Dina said.

Mrs. Fitch will serve as radio operator for the police department at the rate of 35 cents an hour for a 24-hour day.

Mayor Will Tuttle told the board that he has checked around various villages and finds that with the new scale the parttime officers here will be on a par with scale paid in other villages, including Orland Park, which has one of the best police salary schedules in the suburban area. Orland Park, however, starts its radio operators at \$2 an hour and goes up to \$2.50.

Mrs. Bette Lou Krizewicz was hired as a school crossing guard at \$2 an hour. She also is to be furnished clothing and foul weather gear. Crossing guards are to be furnished one uniform blouse and skirt, a jacket and a cap per year, if necessary, the motion runs, and one raincoat.

Harold Fitch, temporary acting chief, will receive \$50 a month in compensation for the paper work and other tasks added to his duties by virtue of his position. This is in addition to his regular pay of \$2.75 an hour as a part-time officer, and the extra pay will cease when a new chief is named.

David Keller has been hired for active duty as a parttime police officer, effective Aug. 15. He will receive \$2 an hour for his time on duty until completion of his probationary period when his pay will be \$2.75.

Keepataw plans underway

LEMONT — Plans are underway to make the 21st annual Keepataw Days celebration the best ever, says Mickey Steck, this year's publicity chairman.

Ten carnival rides and a variety of games are planned for the event Sept. 5-7 on Main Street between State and Stephens Sts. Entertainment will be provided nightly.

Bands hired for entertainment are The Apollos from 7-10 p.m. Saturday, Linda and Her Escorts, the group currently playing at Pheasant Run, from 7-10 p.m. Sunday and The Pastimes from 7-10 p.m. Monday.

Trophies will be awarded for the Labor Day parade expected to have 80 to 100 units. One of the highlights is expected to be the A.R. McAllister Memorial Band, an American Legion group from Joliet. The marching band has been selected national champion among American Legion bands 19 times.

Categories for which trophies will be awarded are: elementary school bands, other bands, drum and bugle corps, color guards, drill teams and marching units, ba-

ton twirlers, two classes of floats, decorated cars, two classes of floats, horses and riders, horse-drawn units and the most comical unit.

Any business, organization or person who has not been contacted on entering the parade but is interested, should contact Chuck Wood at 257-7693 or Gib Bromberck at 257-7005.

Various organizations in the community are invited to man booths along the midway for a share of the profits.

Organizations having any questions about participating should contact Bill Gwodz at 257-2882.

Committee chairmen for this year's celebration are Ron Walter, coordinator; Ron Nagel, carnival; Chuck Wood, parade and Harry Kersey, finance. Jerry McGuire is the current Jaycee president.

All proceeds from the three-day celebration will go to the Lemont Jaycees to support their various projects during the year.

Mobile x-ray unit to be in Frankfort Aug. 21

FRANKFORT — The Tuberculosis and Respiratory Disease Association of North Central Illinois program to find unknown cases of tuberculosis will be coming to Frankfort on Friday, August 21st.

The unit will be located near the Post Office and will take x-rays from 10 a.m. to 1 p.m. and from 2 p.m. to 5 p.m. The x-ray program for Will County which started this past week, will continue for seven weeks with community and industrial stops throughout the county.

"We cannot be satisfied with less than 100 per cent in our program to x-ray each adult in the county," said Don Imig, Vice President of the Association.

"That means every one, even those who look and feel the picture of health."

"Tuberculosis sneaks up without warning. You can have TB without knowing it, because it has no apparent symptoms in the early stages. However, the chest x-ray can help detect TB, no matter how early the stage."

The Tuberculosis and Respiratory Disease Association of North Central Illinois serves seven counties of Northern Illinois, including Will County, and offers these free chest x-rays as a Christmas Seal Service of the Association.

Almost half of the nation's females over 16 years of age are employed.

District 205 plagued with money problems

Lockport High School District 205 continues to be plagued with problems.

They still do not have a superintendent. It is not likely that the North Central Association will meet with school officials to begin trying to solve the district's problems until a superintendent is hired.

The teachers have yet to sign a contract. Many sources predict the teachers will go on strike in September. The board president says the board and the teachers are in agreement about everything except money.

Money, and the lack of it, is the real problem facing the board. They have instigated many economy moves, some of which may prove to be expensive in the long run. They have taken \$800,000 out of the budget and will still have to borrow to finish the last three months of the 1970-71 school year.

At the last board meeting, the district business manager recommended "a most conservative policy" over the next six months. His office has projected "under most favorable conditions" if all purchasing except mandatory items is stopped immediately and all tax monies are received on time, the district can operate until March 1, 1971.

This financial crisis will hit the district the same time it did last year. Many people in the area felt this could be avoided if the district was split, creating a new high school district on the west side.

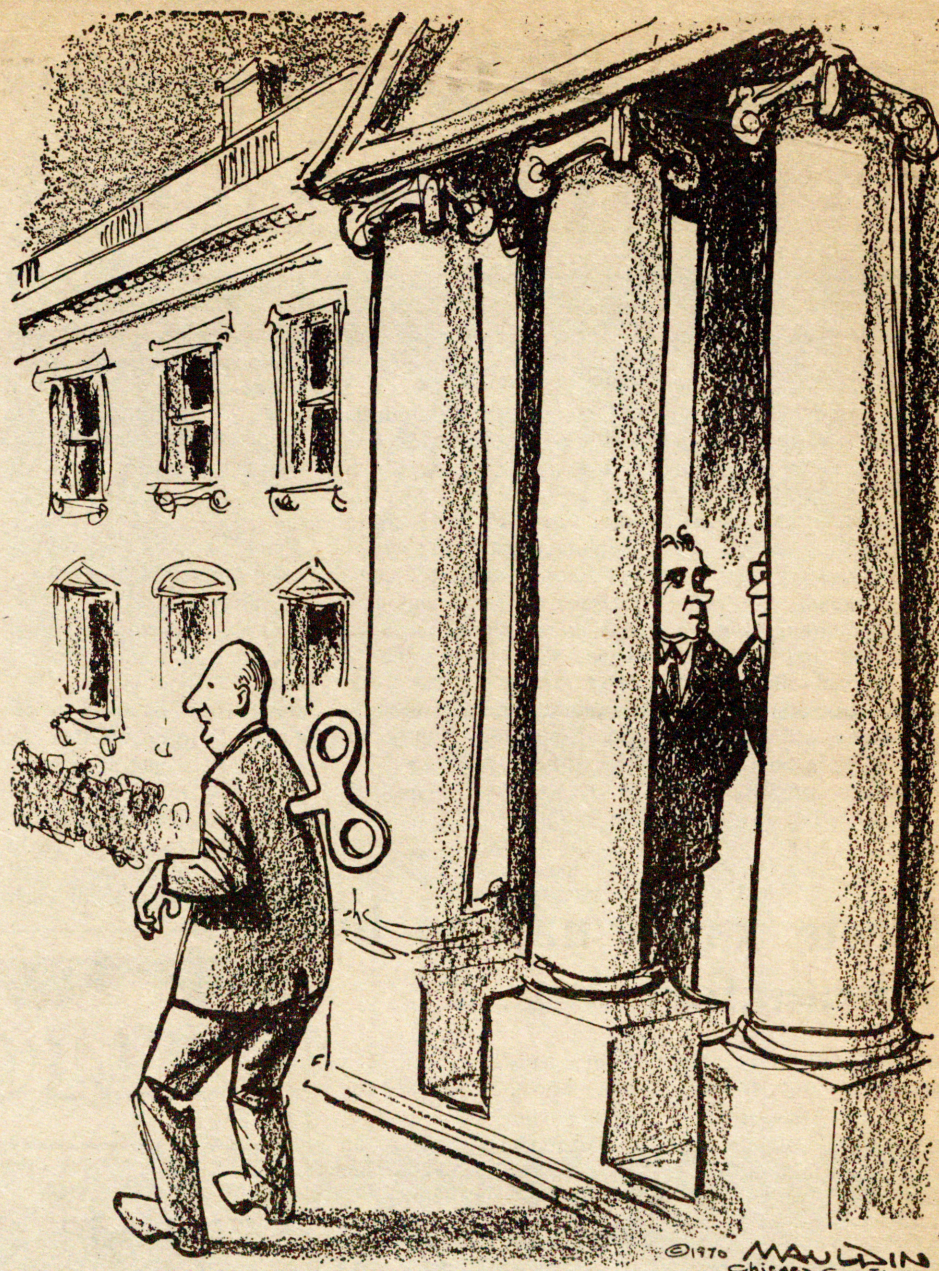

There is another faction which believes this will do nothing but make matters worse. As a result, when the County Board of School Trustees recommended a split, the decision was appealed . . . with objectors asking for an administrative review and reversal.

In addition, residents of the west side of the district are justifiably upset because West High School will be overcrowded this year, with 1,150 students in a building designed to accommodate 1,000. They contend there will be empty rooms at Central on the east side, and from all appearances, they are right.

They have threatened the board with an investigation by the office of public instruction. The district is surrounded by suits, counter-suits, investigations, promises of task forces, and unhappy parents.

All this activity has failed to produce any solutions. Committees and sub-committees can meet for years on end, but until some way is found to produce MONEY . . . it won't do much good.

There is another factor . . . which seldom comes up in the endless discussions. The kids. And their education. Recently, someone associated with the school said, "This will really be a banner year." It would appear that our banner should be at half-mast.

"We don't stop Spiro. We let him run down."

Farewell Frank Pate

It is with regret that we note the resignation of Frank J. Pate as warden of the Illinois Penitentiaries, which includes Stateville, Joliet and the honor farm.

Pate, 56, has spent 27 years in prison service, starting as a guard and working up through the ranks to deputy warden and then warden on the retirement of Joseph E. Ragen, his predecessor.

Being warden of an institution of the size and character of the prison complex serving Northern Illinois is an exacting task. Handling some of the

most dangerous and hardened criminals in the nation is a difficult job.

That there have been no serious disorders during Warden Pate's regime adequately describes his ability and skill as an administrator and disciplinarian.

He has left the state's service to become head of security for the new Mobil Oil Co. facilities south of Joliet. We wish him well in his new undertaking.

We hope that the new warden will be as worthy.

Mokena checking on census

MOKENA -- Has everyone in Mokena been counted in the 1970 census?

That is the question Mayor Will Tuttle hopes will be answered in the affirmative -- if not today then by next week.

He told members of the village board last week that he knows of at least a dozen cases of census failure and

suspects there are many more.

The mayor has been able to get those cases he knows added to the head count of the village and asks those who have not been counted in the census to let him know or apply at the village hall and the necessary steps taken to include them in the head count.

The more residents count-

ed in Mokena the more this village will benefit financially. The distribution of the state motor fuel tax and the state income tax among the municipalities is based on the population figures given in the latest official census.

The preliminary census figure for Mokena is 1,629, which shows an increase over 1960 of cars than 150.

The Southwest Graphic welcomes any and all news concerning club and individual activities and extends this word of appreciation to all who have sent stories or photographs in the past. We would like to print it all, but space limitations make this impossible. In order to make room for your story, we should have the information before the event but no later than Friday of the week in which it occurs. We will not be able to publish news more than a week old. Stories then will be ranked according to their news value. You may mail or call in information to our offices in Lemont, Lockport or Mokena.

Letter

Dear Editor:

Successful referendum passed in District 205.

The "Impossible Dream" could become a reality if people really cared enough to put personal differences aside and concentrated on the basic issues.

First, we need money for education and buildings to teach the growing multitude of future citizens.

Secondly, we need unity of purpose and dedicated people to carry the work load, both professional and lay people.

Thirdly, we need criticism, directed in a way which the public, the school board and the administration can resume fruitful dialogue.

Number one can be accomplished by culling the lists of the pro and anti split petitions for people who are broad minded enough to sit down and really get to the meat of the problem. Those seeking only personal recognition or notoriety should be excluded, of course.

The third point is really simple to resolve with training. It's fine to sit around and knock the decisions or

judgements of our unpaid elected officials, but let's do so with an eye for pointing out possible measures they haven't been made aware of.

If and when the teachers of District 205 go on strike this fall, there will be much drama and some recriminations. The teachers will lose salary, but the children will lose days of schooling which can never be recovered.

Wake up, people. Think, act, and assist your school board in their very unrewarding and difficult assignment.

The Lockport and Romeoville Lions recently spearheaded a successful program to reinstate Co-Curricular Activities . . . perhaps they, or an equally dedicated club, can see fit to spearhead a citizens group to pass a referendum.

The challenge is there! Who has the intestinal fortitude to follow through?

Make the "Impossible Dream" come true.

Sincerely,
Dr. Edward McCartan

New Bank of Lockport elects Board of Directors

LOCKPORT — Stock subscribers of the new Bank of Lockport elected the bank's Board of Directors at the organizational meeting held Thursday night at the Knights of Columbus Hall in Lockport.

Thirteen men were named to the bank's board. In addition to the eight members of the organizing committee, who are required by law to serve as directors, the stock subscribers elected five local men:

Howard J. Adelman, Jr., owner and operator of Lockport Oil Company in Lockport. Adelman is a lifetime resident of Lockport and has been in the fuel oil and gasoline business for the past 13 years.

Roy Hassert, Chairman of the Will County Board of Supervisors. Hassert is a well-known Lockport farmer, and has been DuPage Township Supervisor since 1953, and Board of Supervisors Chairman since 1965. He is also a member of the Will County Farm Bureau.

Frank M. Milne, of Lockport, is a well-known land developer, currently involved in developing the Kelvin Grove Subdivision. Milne is also a member of the Lockport Park District Board.

Jerome J. Paddock, owner of Paddock Equipment Company, International Harvester dealer in farm and industrial equipment. Paddock is the Homer Township Supervisor, and a member of the Will County Agricultural Extension Council, the Illinois Foundation FFA, and is an Honorary Charter Farmer of the Lockport FFA.

Harold J. Schmitz, Sr., of Lockport, an independent Management Consultant. Schmitz was formerly Executive Vice-President of Barr & Associates, but left that position last May 1 to become an independent Management Consultant. He is a former owner and operator of the Richelieu Food Store in Lockport, and has been a Lockport resident for the past 38 years. He is a former President of the Lockport High School Board of Education, and serves as a director of both the Lockport Civic & Commerce Association and the Will County TB Association. Mr. Schmitz is also a member of the Will

County Board of School Trustees.

In addition to the five new directors, the board includes the eight men who served as the organizing committee:

William J. Callahan of Lisle, President of the Bank of Lisle; J. Jay Gerber of Naperville, Principal in Gonser, Gerber, Tinker, and Stuhler of Chicago; Vernon S. Hoesch of Naperville, President of First Ogden Corporation; John J. Norman of Lisle, President of the Norman Oil Company of Lisle; George K. Pilkenton of Naperville, Vice-President and Trust Officer of the Bank of Naperville; F.J. Robbins of Hinsdale, President of Bliss & Laughlin of Oak Brook; Dr. Arlo L. Schilling of Naperville, President of North Central College; and G. Ward Stearns of Naperville, President of the Bank of Naperville.

At the meeting, Vernon S. Hoesch, spokesman for the organizing committee, announced that all of the stock in the Bank of Lockport has been subscribed for, however some shares are in nominee form so that interested stock purchasers who were not able to conclude their individual purchase

prior to the Thursday meeting can still purchase stock. Hoesch said, "Several hundred shares are still available on this basis, and interested persons may contact any of the directors."

Hoesch explained the building plans to the assembled stock subscribers. Hoesch explained that the organizers have an option on a site at 822-826 East Ninth Street, immediately adjacent to the Fire Station. "This site will provide for adequate expansion in the foreseeable future," said Hoesch. The building that is planned will be adequate to house the bank until it reaches approximately \$15 million dollars in total assets, with about 35 employees, and the building will be easily expandable to accommodate a bank up to about twice that size. "The facility will be among the most modern and efficient in the area, and will be a real asset to the community", Hoesch said.

In response to a question about when the bank would be open for business, Hoesch explained that a charter would be issued when all the stock is sold, and that then construction could begin on the building. "We hope to be

open for business in six to eight months" said Hoesch.

Hoesch again outlined the intentions that the new Bank of Lockport be a true community service bank and have as wide an ownership as possible from the people of the immediate Lockport area.

The capitalization of the new Bank of Lockport is \$750,000 which is provided through the sale of 30,000 shares of stock at \$25 per share. Hoesch explained that anyone who wishes to be a stockholder in the bank should contact a director immediately, or may write to the bank at Box 306 in Lockport.

Following the stock subscriber's meeting, the newly elected Board of Directors held their organizational meeting and elected Vernon S. Hoesch Chairman of the Board, Harold G. Schmitz President, Jerome G. Paddock Vice-President, and George K. Pilkenton Acting Cashier. These men will serve as officers of the board and guide the affairs of the bank until the chief executive officer and permanent operating staff can be named shortly after the first of the year.

Farm earnings outlook is topic for Sept. 16

SOUTHWEST — Corn, soybean and hog prices have been higher than expected during the past 10 months - not because supplies were small but because both domestic and export demands were strong.

Here's a rundown of what's been happening:

--The 1969 corn crop was four percent larger than the previous year's crop and the second largest crop ever. But corn prices are 5 to 10 cents higher than last year.

--The 1969 soybean crop reached a new record -- 1.12 billion bushels -- and the price support level was dropped 30 cents a bushel. Soybean prices, however, have held 20 to 50 cents over the loan level during most of the year.

--Hog production decreased slightly in 1969.

Hog prices climbed sharply last fall but seem to be trending downward. Beef production increased to a record level and beef prices are averaging \$30 -- the same as a year earlier.

What's ahead for crop and livestock prices during the next 12 months? Will County farmers can get the latest information at an outlook meeting Wednesday, Sept. 16, at 100 Manhattan Rd., Joliet. The meeting begins at 8 p.m.

Larry Simerl, University of Illinois Marketing Specialist, will discuss current and expected grain and livestock supplies, anticipated domestic and foreign demands and projected price trends for 1971.

Tennessee's population is now 3,975,000.

This may be just the kick in the pants you've been waiting for.

Nobody has trouble writing checks and making deposits. The trouble comes later, at the end of the month, when you have to figure just how it all adds up.

That's when you decide how well you are doing. Whether you're ahead of the game or behind. What happens then determines whether it's you managing your money, or your money is managing you.

It can be a terrible time of the month.

That's why we've introduced Topline, a new and simpler kind of bank account.

Topline combines your three basic banking accounts into one unified account. Your checking, your 4½% savings and your 5% Golden Savings account are all under one number. And they're reported to you monthly (including

monthly savings interest payments) on one unified statement.

That means without any extra bookkeeping you can see where you stand, month by month.

The information is stated in such simple terms, that if you don't like what you see, it's usually pretty obvious what you can do to change it.

Topline could be worth extra money to you in the long run. In the short run, it could get you started on some solid, family financial planning.

Topline. Know what you're doing with your money.

The groom's parents were there with their daughter, Vernetta and granddaughter, Ronette Mohalick. Many out of town guests also attended.

The bride was graduated from Eau Galle High School and will attend Brevard Junior College this fall. The groom graduated from Lockport Central High School and attended Joliet Junior College, and is now serving in the U.S. Air Force. Mr. Thomas is the grandson of former Joliet City Commissioner, Robert Wraith of Joliet and Mrs. Herbert Thomas of Lockport.

Art Guild

LEMONT — The Lemont Fine Arts Guild will hold its fifth annual outdoor art fair, Sept. 19 and 20 at the White Fence Farm Restaurant, Joliet Road, in Lemont.

Ribbons and cash prizes will be awarded. Judging will be done by Rudi Klimpert. Entry blanks may be obtained from Miss Sharon Cullinan, 127th St., Lemont. Entries will be limited to 50 artists.

Rummage sale

LEMONT — The Women's Society of the United Methodist Church of Lemont will sponsor a rummage sale from 9:30 to 6 p.m. Friday, Aug. 28. in the basement of the new church, 25 West Custer St.

Clothing and household articles will be sold. Those wishing to donate articles should take them to the church or call 257-6312 or 257-7019.

Pawls to Hawaii

LEMONT — Mr. and Mrs. John Pawl, 714 Czacki St., are visiting their daughter Lorraine, her husband and children in Kailua, Hawaii for the first time in 24 years.

We're worried. Unless Mother Nature comes up with some new breeds of animals, the auto manufacturers are going to be in a bind for names of new models.

Lincoln-Way to begin year on shortened time schedule

NEW LENOX — Lincoln-Way High School will have new hours this school year. Classes will begin at 8:25 and dismissal for the day is to come at 3:25. The former schedule was from 8:05 a.m. to 3:40 p.m.

The day has been shortened, school officials explained, by eliminating a study hall period. The room will be used for class work. Because of the time change, the school buses will make their regular stops 25 minutes later than the schedule in past years.

At the same time the change in hours was announced school officials reminded students that the first day for freshmen will be Aug. 25. First year students are to report for instructions at 8:25 a.m. Class periods will be shortened, however, so they will be out at 11:45.

The next day, Aug. 26, all students will report at 8:25 and attend classes until 11:45.

On Aug. 27 the full schedule will be followed.

Students will pay the \$16

fee when they report the first day. Those taking insurance are requested to pay the premium also on the first day. The premium is \$3 for coverage for the school day, \$12 for full 24-hour a day coverage.

As of last weekend there were 1,594 students enrolled, and it is expected the number will increase. Last year's enrollment was 1,456.

Twenty-one new teachers will report for duty this year, nine of them being additions to the faculty because of enrollment growth.

The new teachers and their schools:

John Rowley, agriculture, Illinois State University; Charlene Richoz, art, Northern Illinois University; Steve Little, business, Eastern Illinois University.

The next six teachers, all in the english department,

are, Paul Brown, Northern Illinois; Theresa Conway, College of St. Francis; Robert Dixon, Northern Illinois; Laura Patterson and Linda Porick, Illinois State University and David Walker, Eastern Illinois.

Penny McPartlin, of Illinois State, will teach home economics, and three will teach foreign languages, Mary Lou Barbic, who has returned to Lincoln-Way after a year of study in France, Wayne Carroll, Southern Illinois University and Roger Hellinga, Eastern Illinois.

Three of the new group were hired for the mathematics department: DaVonna Greif, College of St. Francis, Patricia Kaufman, Illinois State, and Roger Ringstrom, Northern Illinois.

Four will be instructors in physical education and student driving: Dennis Bundy and Joseph Davis, Eastern Illinois; George Katsenes, Western Illinois, and Douglas Riley, Northern Illinois.

The three to teach science

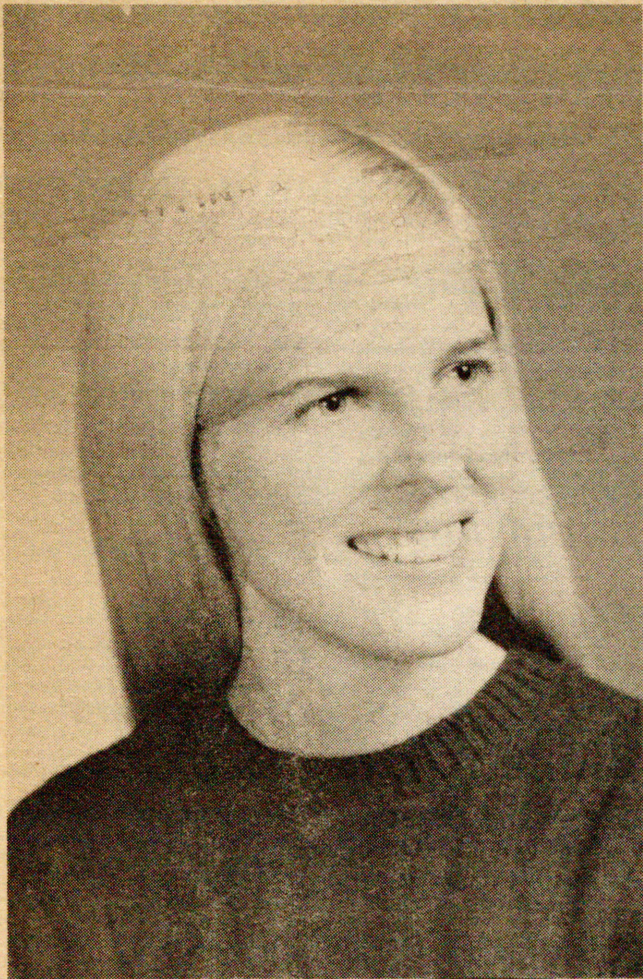

are Ross Margentina, Illinois State; Ernest Niznik, Lewis College, and Michael O'Brien, Western Illinois. Carol O'Hare, of Illinois State, has been hired as a librarian. The enrollment has now reached the point where a second librarian must be employed.

July 26 social called success

LEMONT — Members of the Singer-Warner Mothers' Club report that their ice cream social July 26 was a success.

The bicycle was won by Denise Drager, 1119 State, and Mrs. Glen McAdam, 600 Warner, won the doll cake donated by Lillian Capek of Hill Road.

The club wishes to thank those who worked on the project, those who donated cakes, the two clowns from the Bolingbrook Fire Dept., Walgreen's for 1,000 suckers distributed by the clowns, Mankus Pony Farm who furnished pony cart rides and persons making money donations to the club.

Mrs. James F. Toner

Wedding announced

Mr. and Mrs. George Nordstrom, 432 East Eighth Street, Lockport, have announced the marriage of their daughter, Carol, to Lieutenant James F. Toner of Rhode Island. The ceremony took place August 1 in Seoul, Korea.

Mrs. Toner recently re-

ceived a masters degree in political science and has been teaching in a University in Seoul. Lieutenant Toner is stationed there with the United States Army. Lieutenant and Mrs. Toner are currently on a two-month tour of the Orient.

Students have chance to serve as official

BOLINGBROOK — High School students in Bolingbrook will have the opportunity of finding out firsthand how a village is run by participating in a contest currently being sponsored by the Concerned Parents of Bolingbrook.

The contest is open to high school students under the age of 19 who live in Bolingbrook. Winners will be judged on the basis of an essay.

All essays must be postmarked no later than Aug. 29 and must contain 50 or more words. The essay should start with the words, "Why I would like to be (mayor, fire chief, police chief, village clerk, village trustee, road commissioner) for a day."

All entries should be mailed to Larry Jahn, 112 Jamison Court, Lemont. Judging

will be done by village officials and will be based on neatness and content.

During the week of the Bolingbrook Pathways Festival, the winners will participate in Youth Week 1970 by assuming the office of their choice. Winners also will take part of a village board meeting Wednesday, Sept. 9 at 8 p.m. and will take office Friday, Sept. 11. Sunday, Sept. 13, the winners will ride in the Pathways Parade on the CPOB float.

Those entering the contest should include their name, age and address.

Extension unit invited to potluck picnic dinner

Katharine Heisner
Telephone 469-5187

The Frankfort-Mokena Homeowners Extension Unit members are invited to a potluck picnic, Tuesday, Aug. 25, at the home of a

Frankfort

former member, Mrs. George Smego, who now makes her home in Cassopolis, Mich.

After spending a week at camp in Aroma Park for retarded children, Gary Hecht and Mark and Anthony Laurie returned to their home. The outing was sponsored by the Nazarene Church.

Mrs. Carl Lindee and Mrs. Milton Geuther of Mokena returned home after attending the 21st annual United Federation of the Dolls Club. It was held at the Hilton Hotel from Aug. 5 through Aug. 9. The trip was made by plane. The next meeting of the club will be at Los Angeles, Calif. in 1971.

On Sunday, Aug. 23, there will be an open house in honor of Mr. and Mrs. Keith Schram from 2 to 5 p.m. at St. Peter's United Church of Christ in Frankfort. They were married on July 26, in Rushville, N.Y. Everyone is invited.

Mr. and Mrs. Edward Gaines are back after a 22-day trip to England, Holland

Germany, Switzerland, Austria, Italy and France. They watched diamond cutters at work in Amsterdam, and in Germany they traveled by boat along the Rhine, and went to Oberammergau to see the Passion Play. In Italy they visited in Venice, Florence and Rome, and to Capri and the Blue Grotto. They flew then to Paris and from there to New York.

Register at Homer next week

LOCKPORT — Registration for all students who will attend Homer Community School will be at the school from 8 a.m. to 4 p.m. daily from Monday, August 24, through and including Friday, August 28.

Fees for the year for each student, including kindergarten, are as follows: Book rental, \$12.50; milk, \$7; and optional school-time coverage insurance, \$2.25.

All parents are urged to double check bus routes for their children at the time of registration inasmuch as all routes have been revised due to increased enrollment for the coming year.

School will begin at 8:45 a.m. Tuesday, Sept. 1. This will be a short day, but all buses will run. Teachers will report for an institute at 9:30 a.m. on Monday, August 31.

OF THE
GOLDEN RULE

Fred Adamson

By Marge Ratcliffe

Fred Adamson has large hands -- a pitcher's hands. He played in organized baseball for 23 years, pitched three no-hitters, helped to organize Little League in Lockport, coached and managed teams, founded the Will County Old Timer's Baseball Association with several friends, and is a Cub fan. He'd rather tell you about his friends than himself.

He says baseball is his hobby. His wife, Emma, says it's his life.

"Well, I started with sandlot ball when I was 16. That was in 1916. When I was 18, I played with the Fairmont Athletic Club. We played all the teams in the area." He looked down at the big hands. "Do you know Ed Flink? Well, he was my catcher. In 1924, we went to Aurora, to play with the Midwest League. Eddie's a wonderful person..."

They also played for Moline in the

Fred Adamson:

'I beat Satchel Paige, 5-2 . . .'

Three-I League, the oldest league in baseball history. While at Moline, Fred pitched one of his no-hitters in August of 1926. He was eventually sold to Des Moines, and he cut quite a swath through Iowa. He laughed softly, "They remember me in Cedar Rapids. Never could beat us."

He has a large scrapbook with headlines that suggest he is remembered in other places as well. "Freddy Again . . ." heads one story. And he played in the first night game at Dellwood Park. And later beat Satchel Paige and the Kansas City Monarchs 5-2.

There's another clipping about two Adamsons pitching no-hitters. "You know my brother, Maurie? He was one of the best basketball players in Will County. Played baseball too . . . well, we pitched no-hitters on the same day. Maurie against Midlothian and me against Matteson. Maurie was quite an athlete, you know..."

Fred feels Little League is great for youngsters. He helped to get it started in the area, and says much of the credit must be given to coaches and managers. "They help the little fellows along, you know. Lot of people think sandlot ball was just fine, not so organized, but then nobody around to show the boys their mistakes."

He looked down at his hands again, then smiled. "You know Bob Georgantas? Couldn't talk about Little League without talking about Bob. He's done a wonderful job for the kids. Right now, he's president of all the leagues. Really works hard."

Fred coached several Little League teams. He did mention at least one drawback. "You get to be kind of a baby-sitter. There's 15 boys on a team, you know, and sometimes, after the game's over,

there's nobody there to pick them up. You can't take them home, because their folks told them to stay there. So you wait, and the kids wait . . . the parents ought to be there to watch their boys play ball."

Has baseball changed much in the years he's known and enjoyed it? "Oh, yes. Not played like it was years ago. There's too much travel. I think maybe some of the players expect too much, too."

He mourns the loss of semi-pro ball popularity, which ended about the same time as World War II. "It gave people something to do on weekends. There was always a baseball game. And these were teams that the young fellows out of high

school could join. That's one of the good things about the 24 teams in the major leagues. More teams for these young fellows to fit onto."

Fred is very active in the Old Timer's Baseball Association. He and 17 others founded it in 1949, and now have 1,500 members. He remains on the board of directors.

Fred and his wife have been married for 52 years. They were married, on their lunch hour, in 1918. They have four children, 14 grandchildren and 3 great-grandchildren. Are there any baseball players among the grandsons? He laughed. "The girls are better players than the boys."

Merrick Wins Mile In Junior Olympic Meet

KNOXVILLE, TENN. — Competitors from 49 of the 50 states were represented last Wednesday night on the Tom Black Track at the University of Tennessee as the opening ceremonies were conducted for the fourth annual National AAU Junior Olympic championships.

David Merrick, of Mokena, Ill., who will begin his senior year at Lincoln-Way High School, New Lenox, Ill., this fall, won the gold medal in the boys' mile run. His time was 4:10.9.

(Merrick holds the Illinois two-mile championship for prep school contenders and is the state champion cross country runner in high school competition. He holds many district championships and the past year set several new distance records. He also has won in running against college talent and Olympic contenders. His coach is Joseph Rodriguez, head track coach at Lincoln-Way and is also a resident of Mokena.)

The boy who finished second to Merrick was Jimmy Wilkins, of Woodsdale, N.C. His time was 4:11.5.

There was no two-mile event on the program.

At the ceremonies preceding the track events there were speeches by representatives of state and city governments and national and local AAU officials. These remarks followed the lighting of the Olympic torch, which accented the high caliber of competition expected in the fields of swimming, diving, track and field, gymnastics and trampoline.

The torch, which was the same used in the Winter Olympics of 1960 in Squaw Valley, Calif., was carried by Darwin Bond, Kingsport, Tenn., a two-time Junior Olympic gold medal winner and record holder in the 440-yard run.

The National Junior Olympics, sponsored by Quaker Oats, is administered by the Amateur Athletic Union (AAU), the controlling body for some 19 amateur sports in the United States, and is designed to provide age-level competition for boys and girls between the ages of six and 18. The program also serves as a stepping stone to Olympic competition.

Racing returns to Hawthorne

SOUTHWEST — Summer racing returns to Hawthorne Race Course Aug. 22 for the first time since 1939, when the historic track opens its 49th consecutive meeting in the establishment's 80-year operation.

All of the Midwest's best campaigners are expected to compete during the 35-day session which closes Oct. 1. Many stars from other areas will be attracted to Hawthorne by the 14 stakes races endowed with \$445,000 in added money.

The opening day feature will be the 32nd running of the \$25,000 added Midwest Handicap, a six and one-

half furlong dash for three-year-olds and upward.

Eleven strong overnight features, many designed as prep races for the stakes program, enhance the schedule.

Both clubhouse and grandstand have been extensively remodeled in preparation for the thoroughbred meeting. The elegant Gold Cup room has been more than tripled in size, to accommodate 1,000 patrons, with all-new decor, carpeting and air conditioning.

New glass-enclosed areas include sections of the grandstand and 133 boxes in the clubhouse. New air condi-

tioning-heating units have been installed throughout.

An addition just completed offers more space in the grandstand mezzanine and second floor, while the spectator area in front of the grandstand has been newly black topped. Two new kitchens have been installed to aid in service, and there will be 29 refreshment stands throughout the buildings.

'Oval Drag' is Saturday

SOUTHWEST — Bridging the generation gap, Santa Fe Speedway will add an extra event August 22 to its regular Saturday night auto racing package called "Oval Drag."

This spectacular will consist of two autos meeting head-to-head in a one-lap elimination race. The two-car oval drag competition will terminate when the hottest runner has whipped the other finalist. "King of the Santa Fe Clay Mountain" will receive \$100. "Oval Drag" will become an every Saturday night feature. Saturday's racing card begins at 8:30 p.m. Time trials start at 7:30 p.m.

Along with the "Oval

Drag" competition, late model and sportsman pilots will engage in 25-lap main event battles. With the twilight close at hand for drivers, point leaders Dick Nelson of 4856 W. Division in Chicago and sportsman head Ed Ferrell of Clarendon Hills will try to ensure speedway titles with a profitable Saturday.

Ten events comprise the racing program. Along with the main events, trophy dashes will be presented.

Late model pilots who have pressed Nelson include Ken-ny Kuehn of La Grange, Don Waldvogel of Lockport, Jim O'Connor of Kankakee and Skippy Michaels from Palos Park.

'Old Timers'

SOUTHWEST — Santa Fe Speedway will host its second annual "Old Timers Race" Sunday as part of its 13-event program. Racing time is 8 p.m. with time trials coming one hour earlier.

Drivers who have been retired at least two full years and have raced regularly at Santa Fe Speedway are eligible for this nostalgic event. Last year's winner Ken Boyer of Highland, Indiana, will be back to defend his title; Boyer incidentally was the 1969 selection for the Santa Fe Speedway "Hall of Fame."

Other old-timers expected to race on August 23 include Chuck Eberhardt of Plainfield, Ken Solderdall of Aurora, Chuck Stout of Aurora, Mal Lane of Calumet City, Ernie and Arch Van Duser from Aurora, Bob Kirkpatrick from La Grange, "Happy Dan" Walters from Griffith, Indiana, Jack Chapman from Aurora, Bill Moore of Mundelein and Don Raye.

Bowlers' dinner planned

LOCKPORT — The Senior Citizen's Bowling League, sponsored by the Lockport Township Park District, will have a pot luck dinner at noon on August 26 at the Lockport Lanes, 917 State Street.

Everyone is asked to bring a dish to pass and their own table service. Coffee will be furnished. Anyone 55 years of older wishing to bowl with the league is invited.

A business meeting will be immediately after the dinner. The remainder of the afternoon will be spent bowling and teams will be set up so League Bowling may begin on September 2.

IHSA rules for football practice set

SOUTHWEST — Football practice for members of the Illinois High School Association officially gets under way Wednesday, August 26. Some schools will issue equipment and arrange to have players take their required physical examinations at an earlier date but under the rules of the Association, no school may organize or practice its team before the second Wednesday preceding Labor Day.

Players must have engaged in a minimum of ninety minutes of actual field practice on each of fourteen days preceding the first interschool game or scrimmage and no school may play its opening game earlier than Friday, September 18, this year.

These rules were adopted by the members of the Association for the protection of the players and to promote equality in competition among the schools. This fall approximately 545 high schools belonging to the IHSA will participate in football.

Mokena Baseball Assn. 1970 champions pictured are (front row) David Rinke, Chuck Wallace, Mike Gorman, Wayne Link, Bob Best and Mike Murphy; (second row) Manager Hank Oetter, Tim Wilson, Tim McGivern, Hugh Peterson,

Randy Peterson, Kevin Wollensien, Scorekeeper Chuck Wallace Sr. and Coach Don Maurer. The team finished the year with a 14-1 record including a 12-game winning streak.

'Dirty Work at the Crossroads'

LOCKPORT — The audience is hissing at the Tangerine Tent summer theater these days, but not because they aren't enjoying the show. The boos are for the dastardly actions of Munro Murgatroyd, the villain of the Gay 'Nineties Melodrama, "Dirty Work at the Crossroads."

The nostalgic, turn-of-the-century play is the final offering of the summer season for the tent-theater on Route 53 north of Romeoville. Performances at the Tangerine Tent will continue Wednesday through Sunday nights at 8 p.m. and at 7 p.m. and 10 p.m. on Saturday until the final performance on Sunday, August 23.

The cast of characters for "Dirty Work at the Crossroads" reads like a recipe for all that's good and bad in human nature. Villain Murgatroyd is described "as wild as he is wicked." His

nasty disposition creates problems for heroine Nellie Lovelace, "as true as she is tender" and for her hero, Adam Oakheart, "as brave as he is bashful."

The play would not be complete without the Widow Lovelace, "as sweet as she is simple," and Little Nell, "who never had a father." The dark side of femininity is represented by Murgatroyd's wife, Ida Rhinegold, who is "as deep as she is dyed."

Not only is the audience invited to cheer the hero and weep for the heroine during the production, they can also join in community singing to the music of banjos, guitars and a rinky-tink piano that enliven the evening.

The Tangerine Tent is a summer community theater project of Lewis College and the College of St. Francis. Managing director, Chet Kondratowicz has initiated a special half price admission for children under 12 for this final production.

"'Dirty Work at the Crossroads' has something for all ages," Kondratowicz said, "and we want to give parents the opportunity for an evening of entertainment that the whole family can enjoy together."

On afternoons of regular performances, the Tangerine Tent players put on a show especially for children. "A Rabbit Called Peter" is the current production being offered

TAKE NOTICE:

In addition to the foregoing amount, all delinquent taxes for the levy year of 1969 draw interest at the rate of one percent per month or fractional part thereof for delinquency beginning with the first day of June, 1970.

There is imposed on each delinquent taxpayer named in any list published pursuant to this section, a charge of \$1.00 to be collected in the same manner as the tax is collected, as reimbursement to the collector for the cost of preparing the published list.

TAKE NOTICE:

In addition to the foregoing amount, all delinquent taxes for the levy year of 1969 draw interest at the rate of one percent per month or fractional part thereof for delinquency beginning with the first day of June, 1970.

There is imposed on each delinquent taxpayer named in any list published pursuant to this section, a charge of \$1.00 to be collected in the same manner as the tax is collected, as reimbursement to the collector for the cost of preparing the published list.

Illinois Revised Statutes 1969, Chapter 120, Section 692.

Flo Jarratt, a local playwright, has a show currently playing at the Tangerine Tent. "A Rabbitt Called Peter," is a musical for

Lockport

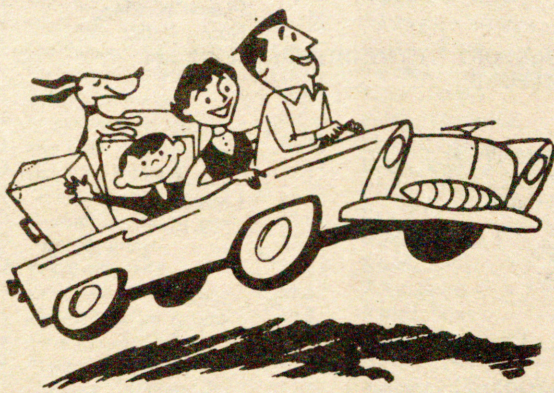

young people ages six to sixty, "or even 61," according to Flo. Try to get out and see it. Current adult production at TT is "Dirty Work at the Crossroads," which sure has an interesting title.

Mr. and Mrs. Henry Gruben recently returned from a visit to their daughter and son-in-law, Mr. and Mrs. Paul Flink of Norfolk, Virginia. Flink is in the Navy, stationed on the USS Tidewater. They also visited Williamsburg and Monticello.

The Lockport VFW has very generously donated the use of its facilities to the Lockport Youth Advisory Council for teen dances on the second and fourth Wednesdays of the month. They deserve a warm round of applause.

Airman First Class Terry W. Jones, son of Mr. and Mrs. Charles W. Jones, is on duty at Bien Hoa AB, Vietnam. Airman Jones is a weapons mechanic assigned to the 19th Tactical Air Support Squadron. Before his arrival in Southeast Asia, he served at England AFB, Louisiana. He is a 1967 graduate of Lockport High School.

School will be starting on Monday, Aug. 24, for the teachers in School District 159. On this day, they will attend an all day Teachers' Institute.

On Tuesday, Aug. 25, all students will attend classes from 8:45 a.m. to 10:15 a.m. The morning kindergarten class will meet from 9 a.m. to 10 a.m. and the afternoon class from 10 a.m. to 11 a.m.

School will be in full session all day Wednesday, Aug. 26 including the hot lunch program. The same bus schedule will be used as last year. The noon kindergarten bus will not be in operation the first few days. For the afternoon kindergarten class the bus will begin to pick-up at about 12:30 p.m. Anyone who has not paid his school fees may do so at Willowcrest or Carpenter Street School between the hours of 9 a.m. to 4 p.m.

St. Mary's School will begin on Tuesday, Aug. 25.

Mrs. Milton Geuther and Mrs. Carl Lindee returned home after attending the 21st annual United Federation of the Dolls Club, which was held in Detroit, Mich. from Aug. 5 through Aug. 9 at the Hilton Hotel. The trip was made by plane. The next meeting will be at Los Angeles, Calif. in 1971.

Mrs. Frank Dixon, Mrs. Robert Geiser and Gayle have returned from their trip to Denver, Colo. to visit Mrs. Dixon, son, Randy who is attending Technical Training School at Lowry Air Force Base in Denver.

Mr. and Mrs. Irvin Staecher of Vero Beach, Fla. are here visiting with her mother, Mrs. Cora Bettenhausen. Going back home with them, will be their two daughters, Helen and Debra.

Mr. and Mrs. John Uildriks, who reside near the site of the proposed polishing pond the village has been ordered to build near the sewage treatment plant, appeared before the village board at its meeting last week to seek more information on the subject. They wanted to know if their property would be required for future expansion of the plant, if the pond would cause an increase in odors, if there would be seepage from the pond onto their property, and what would the pond look like after it was completed.

George Barber, village engineer, assured them the village was not likely to need more land in the area. He said that noise and odor would not be any more of a factor than it is now. He did not believe there would be any seepage and that after completion the village would likely landscape the site. He suggested they look at polishing ponds at Frankfort and Peotone.

Mokena trustees Edward

Haislet, Lyman Teague and Kenneth Warning, and Mayor Will Tuttle and Village Attorney George E. Sangmeister have made reservations for the 57th

Mokena

annual conference of the Illinois Municipal League at Springfield, Oct. 3-6.

The Mokena zoning board of appeals has granted a variation to Kenneth Foutz, 10904 Front St., which reduces the 10-foot set-back to seven feet to permit him to build a garage on his lot.

Mokena is preparing to adopt new ordinances governing solicitors. They follow the recommendations of

the Illinois Municipal League, which believes they will hold up if tested in the courts. One measure would forbid trespassing and the other would make it necessary for a solicitor to have an invitation onto premises. Householders will have a sign on their premises that a solicitor couldn't miss on his way to the entrance. The sign will either say solicitors are invited or that no solicitors are wanted. Frankfort adopted such ordinances recently.

Maintenance work, using state funds, for the following streets: is scheduled before snow flies, Boyer St. and Boyer Ct., Scott St., First, Second, Third streets, and Willowcrest.

For Family Enjoyment Outdoors

Butter sauce-ry is the secret ingredient of this pair of menus, which the outdoor chef will welcome for the chance to try his hand at something different.

A sweet-sour chicken treatment, for instance, gives him the opportunity to perform with the grill rotisserie. The easy sauce makes all the flavor difference.

Good partner for the chicken is grill-cooked corn-on-the-cob with parsley, onion, butter and seasonings.

Or make a meal of Grilled Liver with Butter Bacon Sauce or Tomato Bacon Sauce, spooned over the grilled meat.

ORANGE BARBECUED CHICKEN

- 1/2 cup (1 stick) butter
- 1 small seedless orange, ground (about 1/2 cup)
- 1/2 cup orange juice
- 1/4 cup dark corn syrup
- 2 tablespoons vinegar
- 1/2 teaspoon ground ginger
- 2 broiler-fryer chickens (2 1/2-3 lbs. each), cut up
- Salt and pepper

In small saucepan melt butter; add orange, orange juice, corn syrup, vinegar and ginger. Simmer 10 minutes. Meanwhile, season chicken with salt and pepper; place in rotisserie basket. Allow to rotate over slow coals, basting every 10-15 minutes with sauce. Cook for about 1 hour or until chicken is tender. Pass sauce. 6-8 servings.

CORN-ON-THE-COB WITH ONION-PARSLEY BUTTER

- 6 ears corn, husked
- 1/4 cup (1/2 stick) butter
- 2 tablespoons chopped parsley
- 1 tablespoon grated onion
- 1 teaspoon Worcestershire sauce
- 1/2 teaspoon salt
- 1/8 teaspoon coarsely ground pepper
- 1/4 teaspoon dry mustard

Soak corn in cold water for 15 minutes. Meanwhile, in a small mixing bowl cream butter; gradually add parsley, onion and Worcestershire sauce. Blend in salt, pepper and mustard. Yield: 1/3 cup butter spread. Place each ear of corn on double thick square of aluminum foil;

spread each ear with approximately 1 tablespoon butter spread. Fold foil down onto corn in tight double fold; fold ends over and over up close to corn. Cook on grill about 30 minutes; turn often.

GRILLED LIVER

Place liver on broiler pan brushed with butter or on grill. Brush or drizzle liver with melted butter. Place under preheated broiler or over hot coals. Watch carefully as liver cooks very quickly (3-4 minutes per side). Serve with choice of Butter Bacon Sauce or Tomato Bacon Sauce, spooned over the grilled meat.

BUTTER BACON SAUCE: In skillet fry 4 slices bacon until crisp; remove bacon and chop. In skillet with bacon fat, melt 1/4 cup (1/2 stick) butter. Stir in 1 tablespoon chopped chives or green onions; simmer. Return chopped bacon to pan. Serve warm over liver. Makes: 1/2 cup.

TOMATO BACON SAUCE: In skillet fry 4 slices bacon until crisp; remove bacon and chop. Return to skillet with 1 can (8 oz.) tomato sauce and heat. Serve warm spooned over liver, hamburgers, hot dogs or chicken. Makes: about 1 cup.

Hearty corned beef joins sour cream and well-matched flavoring ingredients in this meaty main dish salad for a hot day.

Cool and Meaty

Corned Beef Mold

When the weatherman calls for scorching temperatures, counter with a keep-cool meal scheme. Like Creamy Corned Beef Salad made with full-flavored corned beef, fresh dairy sour cream and a zippy complement of other good things. Center the mold with crisp relishes, bring out shoestring potatoes, rolls, butter and mugs of icy milk.

CREAMY CORNED BEEF SALAD

- 1 can (1 pt. 2 oz.) tomato juice
- 1 package (3 oz.) lemon flavor gelatin
- 1 cup finely chopped cucumber
- 1 cup dairy sour cream

- 3 hard-cooked eggs, sliced
- 1 cup chopped celery
- 1 can (12 oz.) corned beef, broken into pieces
- 1/4 cup finely chopped onion

In a 1-quart saucepan heat 1 1/2 cups tomato juice to boiling point. Remove from heat; add gelatin and stir to dissolve. Divide gelatin mixture in half; set one half aside. Chill other half of gelatin mixture until partially thickened; fold in cucumber and sour cream. Pour in a 6 1/2-cup ring mold; chill until set. Place eggs over cucumber-sour cream layer. To second half of gelatin mixture add remaining tomato juice; fold in celery, corned beef and onion. Pour over egg layer; chill until firm. Serves 8.

For a Summertime . . .

Milk and Cookie Break

Just the companions for mugs of frosty milk on summer days are these crisp, flavorful cookies, freshly home-baked.

BUTTERSCOTCH REFRIGERATOR COOKIES

- 1 package (6 oz.) butter-scotch pieces
- 1/2 cup (1 stick) butter
- 3/4 cup firmly packed light brown sugar
- 1 egg
- 1 1/2 cups regular all-purpose flour
- 3/4 teaspoon baking soda
- 1/3 cup chopped nuts
- 1/3 cup raisins, optional

In a small double boiler or in a heavy saucepan over low heat melt butterscotch pieces. In a mixing bowl cream butter; gradually add sugar and beat until light and fluffy. Beat in egg; then beat in melted butterscotch. Sift together flour and baking soda; gradually add to creamed mixture. Blend in nuts and raisins, if desired. Chill for ease in handling. On waxed paper shape into 2 rolls, each 10 inches long and 1 1/4-inches in diameter. Wrap in waxed paper; chill several hours or overnight. Cut rolls into 1/4-inch slices and place on baking sheet. Bake in preheated 375° oven 8-10 minutes. Let cool about 1 minute; remove from baking sheet to wire rack to cool. Yield: Approximately 4 dozen refrigerator cookies.

A woman, Nancy Johnson, invented the hand-cranked ice cream freezer in 1846, but, alas, she forgot to have it patented. So the glory went to a man, one Mr. Young, who didn't come along with his gadget 'til 1848.

overcome obstacles beautifully —

New Rug Fibers, Materials Present New Maintenance Problems . . Here's Answer

"It's Beautiful . . . but how do I clean it?" This is the question asked daily by America's housewives as they view the dazzling variety of new fibers and materials available today for home furnishings.

A revolution in the home furnishings industry has brought materials such as plexiglass, synthetic carpet fibers in varying pile heights, real furs and stainless steel out of the realm of avant garde and into the homes of millions of American families.

But each new advancement brings with it special cleaning and maintenance challenges for home-makers.

So now, more than ever before, a modern housewife's best friend — and most valuable appliance — should be her vacuum cleaner.

Designed to meet new cleaning challenges, vacuums spend as much time cleaning above the floor as they do preserving the beauty and life of floor coverings.

A unique sliding control located on the hood of Eureka uprights allows adjustment of the height of the vacuum brush and front wheels to clean any one of the new height carpet piles or new carpet textures from flat weave indoor/outdoor carpets to inches high shag rugs. It will adjust to hard wood and tile floors too.

Cleaning attachments available with Eureka canisters go anywhere the dust is to preserve the beauty of new furnishings. The soft dusting brush is ideal for keeping plexiglass, glass substitutes and dust-free without marring their surfaces. Dustcloths will not pick up all the dirt that accumulates, and they tend to smear shiny surfaces.

An upholstery brush works wonders on fur, velvet or suede pillows and chairs by gently removing dust and renewing the nap on these surfaces.

If properly used, new vacuums can perform more than 50 cleaning chores that will meet all of today's cleaning challenges . . . and any that might arise in the future.

Heating Has Key To Quick Change For Interiors

Nine out of 10 home improvement projects will require heating.

With this fact as a basis, homeowners planning improvements can make the job easier by considering heating at the outset, suggests the National Better Heating-Cooling Council.

Updating the heating system can work wonders in an older home, with no structural changes needed. Modern hydronic (forced hot water) baseboard heating panels update room appearance and add decorating freedom, too.

Because baseboard heating

panels are thin (they protrude only a few inches from the wall) at ankle height, much space is liberated.

Thousands of American vacationers returning from Europe bring back the latest in Continental styles: what's new in fashion from Paris, in gossip from Rome, in theater from London.

They also come back with a preference for that favorite European refreshment, the aperitif, and with fond memories of the sidewalk cafes where they were able to rest and relax with an aperitif at any time of day.

What is an aperitif? In general it is a mildly alcoholic drink made with various herbs and flavorings on a wine or spirit base, and taken straight or with mixers. Vermouths and sherries are also in the aperitif class. Several brand name aperitifs are so distinctive and universally served in Europe that people sometimes think of them as generics.

The aperitif is a relaxing and refreshing drink without being overly stimulating. But neither is it bland.

An especial favorite for those who do not care for smoky or sweet flavors, Campari has a clear, astringent taste and is taken in the cafes poured over ice with a twist of lemon, or tall mixed with club soda or tonic. Ruby-red in color, it makes a tempting and elegant before-meal drink. It's also an important part of sophisticated cocktails such as the Americano and Negroni.

It's fun to introduce low-proof aperitifs to people who have never tried them, the reaction is usually so favorable. Women especially like them as light five o'clocktails.

Serve Continental hors d'oeuvres along with your aperitifs: go French with Quiche Lorraine and

a Pâté à la Compagne; or Italian with Prosciutto ham and black and green olives; or Danish with tiny, fried roast beef and onion canapes. Pour the aperitif into stemmed goblets or glass mugs, and have plenty of ice.

FIVE O'CLOCK FASHION NEWS: the icy cold, ruby-red aperitivo as a low proof appetite teaser before lunch or dinner, along with Quiche Lorraine bites and a country pâté. It's instant sophistication! Chic highlight of fall entertaining. Photo, courtesy Campari Aperitivo.

Stay-Down Roof Shingles Are Rising in Popularity

Today's Quality Roofing Offers Bonus Benefits

Are you remodeling — or just repairing — your home?

Remodeling implies modernization, and any homeowner who undertakes repairs (except for very minor jobs) should take the opportunity to update the house in terms of new materials, new applications, new beauty and low maintenance.

The emphasis on modernization is especially important if remodeling plans include the roof. Today's quality roofing materials, such as asphalt shingles, offer a variety of benefits not available in the past. By taking advantage of them, you can repair, modernize and upgrade the value of your home all at the same time.

Here are some modern roof qualities you should look for:

• **Durability** — Heavyweight asphalt shingles (those weighing 290 or more pounds per 100 square feet of roof area) are designed to provide up to 25 years of hard weather service with little or no maintenance. This means greater home protection without the bother and expense of periodic upkeep. The initial cost of heavyweights is somewhat higher than standard weight shingles. But installation costs are about the same, and the longer life of heavyweights "equalizes" the cost in the long run.

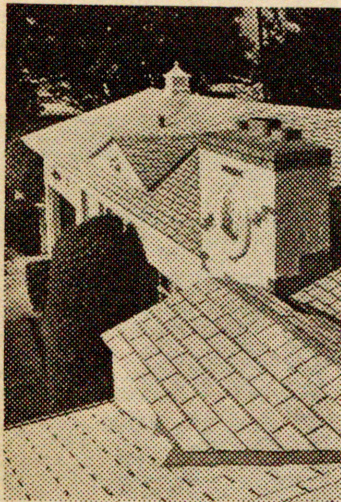

• **Color** — Not long ago, the choice of colors in roofing was greatly limited. But today's emphasis on color as a design "tool" is reflected in a wide choice of asphalt shingle colors, including black, white, pastels, blends, "earth" browns and "forest" greens.

Self-sealing shingles now account for 57 percent of asphalt shingle sales, according to industry reports.

Self-sealing shingles now account for 57 percent of asphalt shingle sales, according to industry reports.

RUGGED SHAKE appearance of asphalt shingles blends with home exteriors, such as this brick-faced home. On the mansard roof are Traditional Shake asphalt shingles. By Celotex.

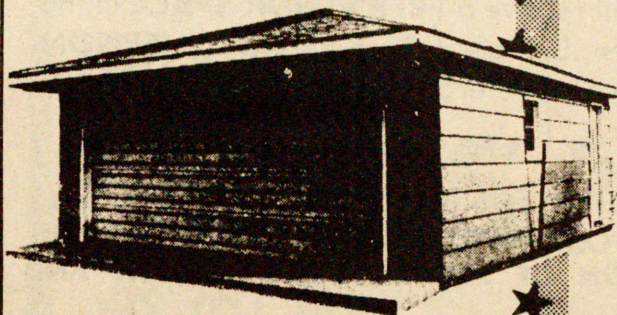

WHITE REMAINS a popular asphalt shingle color. In the South, such as this home in Florida, fungus resistant shingles can maintain whiteness for 20 years or more. From Celotex.

New Devices Safeguard Homes

The home is perhaps the largest single investment a family will make. These devices will protect that investment.

During home improvement time, it's a good idea to take a look at how safe the home is.

The Home Security System, a complete protection method, blasts out a piercing signal when a window or door is being forced open, notifying the occupants that something is wrong.

The system can be adapted to cellar doors, garages and secondary entrances, with no trouble.

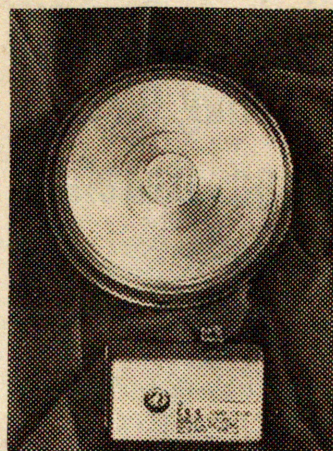

A pre-entry lock system, designed to scare away intruders who try to pick or force the lock or door, is hooked up to a solid-state alarm system which blasts when tampered with.

The alarm sounds before the door is actually opened, notifying the inhabitants that someone is trying to gain entry.

Another element in home protection is guarding against fire. A smoke detection unit, usually installed in ceilings or high up on walls, reacts with a loud shrill when smoke density approaches the danger level.

The system should be placed between living rooms and sleeping areas to best warn of encroaching fire.

The smoke detection installation requires only simple wiring, like that of a doorbell.

SMOKE DETECTION unit, installed in ceiling, reacts to smoke density with a shrill alarm. It's by Interstate Electronics, a division of "Automatic" Sprinkler Corporation.

'Want to Convert a Beatnik Pad to a Neatnik Room?

Want your son to be a neatnik? Give him a room he can relate to. If a young man's room is "square", lacks space for record collections, sports equipment, and hobby paraphernalia, or just doesn't turn him on — chances are he'll spend as little time as possible there and have no interest in keeping it clean.

But if the room's attractive, comfortable and contemporary, he may actually want to keep it looking that way.

Here are some hints on converting a beatnik pad into a neatnik room:

- Give him a voice in the room decoration — he's the one who has to "live" with furnishings and color schemes.

- Use attractive materials that can take the hard use they're bound to get. Prefinished hardboard wall panels, for example,

come in a variety of handsome woodgrains, interesting textures, and colors with youth appeal. They also resist dents, mars and scuffs and can be cleaned with a damp cloth.

- Provide plenty of storage space. Youngsters tend to be "collectors", so storage is essential for neatness. A good idea is to install a section or two of perforated hardboard paneling, which accepts

hooks from which all sorts of items can be hung and brackets on which to mount shelves. The panels also make excellent display walls for special treasures a youngster will want to "show off."

SUMMER FUN AND SUN HAS MANY FACES AT FOUR LAKES

Happy days are here again for those who like to reminisce about days gone by and summers that have passed at camps where life was rich with sport. That past life still flourishes nearby in suburban Lisle. City dwellers will find it just a short pleasant ride from home to the site where Four Lakes Village proudly hails. The host of ac-

tivities there leaves little to be desired. One can choose from any spot he loves, excels in, or want to learn and he can indulge any time and any day.

The area was in fact conceived and built around four lakes which are filled with activity. The old salts will note that sailboats (both thistles and sun fish) are available to any resi-

dent who has proved himself capable of handling the rigging alone. Free instruction is given on land before the sailing season begins, and further classes are held for enthusiasts who want to learn more precise techniques such as racing. Frank Luoma, sailing instructor, sets up regular weekend sailing regattas in which residents may participate, with the big race, the "Mini-Mackinac" held at the end of the summer.

Canoes and rowboats are also there for old time camp lovers who like to paddle around on a nice summer day and enjoy the sun's reflection on the water. Fans who like to fish will find each of the lakes well stocked with fish common to Midwestern streams, and fishermen at Four Lakes have no trouble catching them. There is also a fishing club, the newly chartered Field & Stream Club. At the end of the summer the new club will sponsor a fish fry with fish that members have caught over the summer and kept in a freezer.

If you would rather swim than float in a boat, Four Lakes has two giant swimming pools. Whether you prefer to sit in the sun and bake or exercise in the pool itself, there is plenty of space for residents here. And on many occasions there are water volleyball games for teams. According to Will Luther, recreational director of Four Lakes, water volleyball has become one of the most popular innovations which tenants enjoy playing.

Back on dry land, campers can look out for any number of activities. Volleyball nets are set up with regularly scheduled games. Archery targets are available for shooting bullseyes. Badminton courts also don the field of available activities.

Tennis players will have to wait it out a little longer, but tennis courts are under construction at Four Lakes.

Others may like to exercise less competitively or just enjoy going for a joy ride through the woods. They may choose to go bicycling on one of the new bicycles which Four Lakes purchased this year for its residents. Will Luther says they cannot keep the bikes on hand long because they are always being used. There are even four tandems, or bicycles built for two as Daisy would say, for those who enjoy this happy sport. And hiking through the wooded areas has become another favorite past time.

These are just the summer sports and activities which residents at Four Lakes Village can enjoy with the same zest as camping days of youth. And the zest and youth is still very much a part of the residents at Four Lakes as they partake of the activities. Summer brings to Four Lakes many sun filled, fun filled days.

House Need A Facelift? Try Shutters

Want a quick and easy facelift for your house? Try shutters.

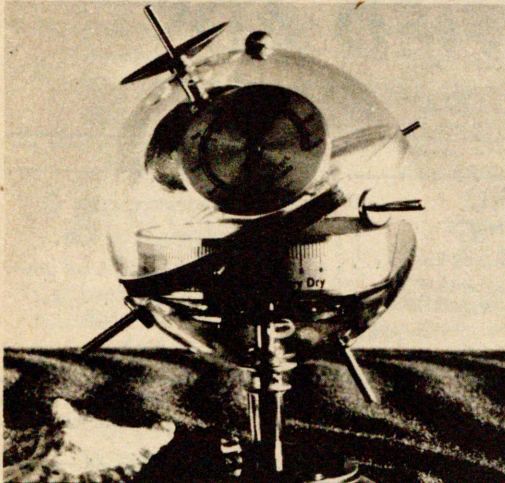

Once a protective window covering used on Colonial homes, wood shutters have changed in purpose but not in popularity. Today, they are considered a "cosmetic" asset for almost any style window, and are appropriate for practically any architectural decor.

Shutters can do a number of things for a house exterior: give texture to a flat wall surface, provide color accents, and give horizontal emphasis to windows—and doors. Because they can be easily removed and repainted any time, they also provide a convenient color change for the house facade.

Another advantage of wood shutters is that they can be easily and economically installed by a do-it-yourselfer. Shutters of ponderosa pine are available at local lumber dealers in sizes to fit any window.

SATELLITE WEATHER INSTRUMENT

This stunningly handsome instrument will make your weather observations accurate and fun. And it's quite a conversation piece, too. Constructed of brass and lucite, stands 8½" high, contains barometer, hygrometer and thermometer—all of excellent German quality. Stand it on a desk or suspend it from ceiling or wall—just like a satellite in orbit! #2D.....\$29.95

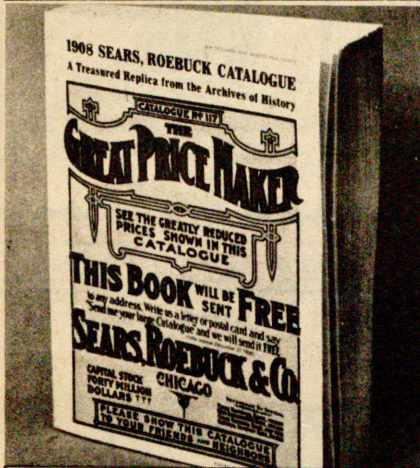

MODULAR WINE RACK

Solid charcoal plastic modules let you organize your wine cellar anywhere, even in the smallest cubicle. You can stack your wine at least six bottles high, or even higher, with side support. #15G.....\$14.95

HAVER-SCOPE

Lets you "hold the world in your palm." It's a monocular of such startling performance that you won't believe it until you try it yourself. With standard objective it's an 8x, 24mm, wide-angle (8.2°) telescope. For an even larger field, just quick-change objective and you have a 6x, 18mm, super-wide angle (11°) scope. As an added bonus, the objectives may be used as 3x and 5x magnifiers of unusual brilliance and crispness. All lenses coated, pinned prisms. Optics of the high quality you have come to expect of the finest Japanese cameras. Only 3¼ oz. In neat, zippered case. #36B.....\$18.95

SEARS 1908 CATALOGUE

Much more than a nostalgic reminiscence of a bygone era. It's an authentic bit of Americana, a fascinating trip through a time when you could buy an oak hall tree for \$8 (now \$150). This great book weighs 3½ lbs., has 736 pages, lists over 40,000 items (most of them clearly illustrated). A conversation piece and collector's item. #4B.....\$6.95

BATTERY DIGITAL CLOCK

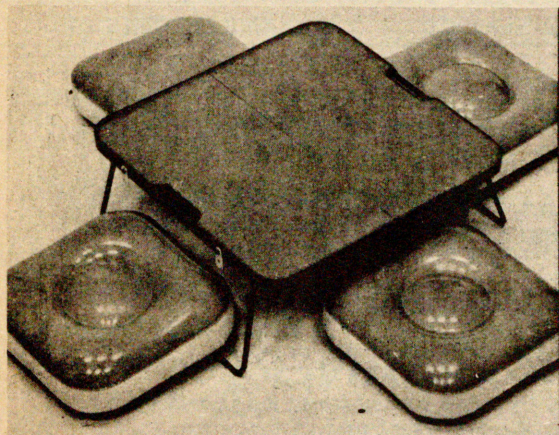

This fine German timepiece works for a year or more on two alkali batteries. It features push button illumination for night viewing and can be regulated to chronometer accuracy. Ideal for any room in the house. Black, red, blue or gray case; black face with white numerals. #2A.....\$34.95

HAPPINESS SCALES

Disarmingly charming that they make the every-morning moment of truth (namely to weigh yourself) somewhat less difficult to bear. But don't let the gay facade deceive you. These are precision scales that give accurate weight up to 300 lbs.
